

Africa Diaspora Investment Forum

London UK

19-20th Nov '04

The Objectives of the forum

- Increase the awareness and information to the African Diaspora of the potential investment opportunities in Africa and how they can tap into them.
- Facilitate the linkages in investment and trade.
- Give organisations and corporates the opportunity to discover an untapped and hidden market.
- Provide a forum for services providers to become more informed about their customers.
- Provide service providers with an opportunity to redefine or develop new products or structures to facilitate the investment potential of the African Diaspora.
